	X	2/7/24	CDW-G	Amy Johnson	Amy.johnson@cdwg.com	Regarding Sulphur Springs ISD's Form 470 Number 240018096, we see 3 of the 1050W power supplies (mfg# JL087A#ABA) being requested, but no switches for that location. Will these power supplies be added to existing switches, or will additional switches be needed here?	No additional switches are needed. Some power supplies are for existing switches.	
X		2/28/24		Brittany Hayes	brittany.hayes@gopeoples.net	Are all SSISD campuses included in the RFP?	No, not all campuses are included in the RFP.	
	X	2/229/24		Todd McKown	tmckown@scientelsolutions.com	Does the district currently have Ruckus AP's installed at all school locations specified in the RFP?	Yes.	
	X	2/29/24		Todd McKown	tmckown@scientelsolutions.com	If Yes, would the district entertain replacing the currently installed AP's if the solution was a completely submitted network managed service offering turnkey?	We must evaluate all bids that fulfill the terms of the RFP.
