

KIDS WILL BE KIDS. THAT'S WHY WE'RE HERE

Voluntary Student Accident Insurance

Does your medical insurance include high deductibles or copayments? If so, this means that you may have to pay thousands of dollars to meet your deductible in addition to outlaying money to cover copayments if your child is injured in an accident.

Our voluntary student accident insurance can provide financial peace of mind by reimbursing you for your child's eligible medical expenses, so you can focus on your children's recovery and not the finances to do so.
