Family Educational Right and Privacy Act/Student Demographic Form

Regarding student records, I understand that the federal Family Educational Right and Privacy Act (FERPA) and state law require that "directory information" on my child be released by the District to anyone who request it unless I object in writing to the release of an or all of the information. I also understand that to be in compliance with No Child Left Behind Act of 2001, the District will release to military recruiter and institutions of higher education, upon request, the name, address, and telephone listing of my child, unless I direct the District not to release this information without prior written consent, as indicated below. Directory information includes my child's: Name, address, telephone listing, photograph, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, grade level, enrollment status, honors and awards received in school, most recent previous school attended and e-mail address.
