

Online registration in Sulphur Springs ISD

If your child is currently enrolled in any SSISD school, and will be in 1st -12th grade, you will be able to register him or her online.

Sulphur Springs ISD has made the back-to-school registration process for you and your student easier and less time-consuming. Gone are the days of filling out multiple paper forms for each child. Instead, the registration process will be online. Using your SSISD Skyward Family Access account for online registration, you will be able to verify and update contact, emergency, and health information for each child. You will also be able to access all SSISD required forms and documents.

A SSISD Skyward Family Access account is necessary to complete the back-to-school online registration. Your SSISD Skyward Family Access account will access all your children's information on all campuses. Please contact your campus to verify your account and email information on file. **If you already have a Parent Portal account, you will not need to set up a new SSISD Skyward Family Access account.** For your convenience, **we will send your User ID and Password home with Report Cards** when online registration opens for all students. Your unique user ID and password will protect all of your and your student's confidential information. Make sure your campus has your current email address!

The online registration process is required for all returning students of SSISD. Online registration must be completed before the first day of school. **Getting ready for online registration is simple.** All you need to do is make sure you have a SSISD Skyward Family Access account and your login information! Remember, we'll send that information to you with Report Cards and by email this summer. Between now and then, plan to visit our district website and your campus website for any updated information. Directions for logging in to Family Access:

1. Start at the home page of your internet browser
2. Navigate to the district web site thru www.ssisd.net
3. Click on the "For Parents" tab across the top
4. Click on "Skyward Family and Student Access"
5. Enter the secure login information

You may call your students campus or the SSISD Administration Building at 903-885-2153 and ask for Jason Evans x-1150 or Mikki Daniel x-1151. They will be happy to help you.
